View and Edit Timesheet

1. From the Employee Main Menu, select the Timesheet link.

2. In the Work Time section of the timesheet, select the plus sign.

3. Select the Transaction Code link to modify the work time transaction.

4. Expand the dropdown menu, locate the desired Transaction Code and click the Select button.

5. Select the Select Account link to add accounting or Project details.
Select the appropriate account from the list by clicking the Select button.

The Accounts displayed can be managed in the Accounts section. Employees pull from a list of Accounts managed by their Timekeeper.

Census Agency employees utilize a different Account Structure, and their Accounts page will look and function slightly differently.

Census Agency employee timesheets have many of the same features and use similar procedures as timesheets used in other agencies.

- **Timesheet Entry Page**: Use this page to specify transactions (that is, pay code and account combinations.)
- **E icon (Edit Timesheet Entry)**: Click the "E" on a transaction row to open the Timesheet Entry page and edit the transaction.
- **Mile Transactions**: Use this section of the timesheet to record reimbursement mileage.
- **Change Default Sort**: Use this option to sort work and leave transactions, dollar transactions, and mileage transaction.

Enter the number of hours worked for this transaction for each day of the pay period.

Time can be entered in the HH:MM or decimal format. Time entered in decimal format will be converted to the HH:MM format by webTA.

Time entries will be rounded to 15 minute increments. For example, 4 hours and 7 minutes will round down to 4 hours, while 4 hours and 8 minutes will be rounded up to 4 hours and 15 minutes.

Additional Work Entries using different transaction codes and/or accounts can be added to the timesheet by repeating steps 3 through 7.

Leave Time can be added by selecting the plus sign in the Leave Time section of the timesheet, and repeating steps 2 through 8.

Leave Time will automatically be added your timesheet upon approval of Leave Requests.

Select the **Save** button to save the timesheet.

**Validate Timesheet**

At the end of each Pay Period, timesheets must be Validated by the Employee or their Timekeeper. Once Validated, they can be Certified by the Supervisor and processed by the Payroll Provider.

1. From the **Employee Main Menu**, select the **Timesheet** link.

2. Select the **Validate** button.

When a timesheet is Validated, webTA performs a series of checks based on your profile (pay plan, tour of duty, duty hours, alternative work schedule, etc.) and other payroll rules.

If the hours entered satisfy the established Validation rules, the timesheet’s status will change from **Saved** to **Pending Attestation**, and the **Timesheet Summary** will display.

If the hours entered do not comply with the employee’s profile settings or established validation rules, webTA will display an Error or a Warning at the top of the timesheet.

**Errors** must be addressed and corrected in order for the timesheet to Validate.

**Warnings** are suggestions, and the timesheet can be Validated, but the Warnings will still display.

3. Once any Errors or Warnings are corrected, scroll down and select the **Affirm** button.

**View Processed Timesheets**

From the **Employee Main Menu**, select the **Processed Timesheets** link.
Timesheet Status:

Saved (S) – with Employee or Timekeeper
Pending Attestation (PA) – Employee has selected the Validate button, but has not Affirmed that the information added is correct.
Validated by Employee (VE) – Timesheet has been Validated by the Employee and it is ready to be Certified by the Supervisor
Validated by Timekeeper (VT) - Timesheet has been Validated by the Timekeeper and it is ready to be Certified by the Supervisor
Certified (C) – Timesheet has been Certified by Supervisor and will be picked up in the next build
Pre-Processed (PP) – Timesheet has been added to the build file, but has not been transferred to the Payroll Provider
Processed (P) – Timesheet has been Processed by Payroll Provider
Correction (COR) – A Correction has been created for a Processed Timesheet

View Leave Balances:

From the Employee Main Menu, click on the Leave Balances link.

Select the Pay Period link of the timesheet you wish to view.

To view Processed Timesheets from previous years, select the year from the dropdown menu and click the Select Year button.

Request Leave:

From the Employee Main Menu, click on the Leave Requests link.

Select the Add Leave Request button.

Select a Leave Type from the dropdown menu.

Once a leave type transaction is selected, the balance for that leave type is displayed.
Note: If you are requesting sick leave or time under the Family Medical Leave Act, complete the information in those sections.

Select the **Add New Row** button to add additional dates and times as necessary.

Select the **Submit** button to submit the request to your Supervisor. Pending requests can be deleted by clicking the **Delete** button.

Note: Once submitted, leave requests cannot be modified until the supervisor takes action.

Once submitted, the hours will automatically be added to your timesheet.

### View and Submit Schedule Request

1. From the **Employee Main Menu**, select the **Schedule Assignment** link.

To view an existing schedule, select the schedule name link from the **Schedule Assignment** page.

2. To add a new **Permanent** or **Temporary Schedule**, select the corresponding button on the Schedule Assignment page.

3. To use an existing Schedule Template, select the **Insert Schedule Template** button.

4. Select the desired Schedule Template from the list and click the OK button.

5. Make any necessary changes to the Schedule Name, Description, number of weeks, and the Start and End Dates.

6. Select the Submit button.

Once a Schedule has been submitted, your Supervisor can Approve or Deny the request.

To Manually add shifts, rather than using a Schedule Template, select the checkbox next to the day(s) to which you want to add time, and then select the **Insert Shift** button.

Select the row for the shift you want to add, and the shifts will appear on the selected days.

### Request Premium Pay

1. From the **Employee Main Menu**, click on the **Premium Pay Requests** link.

2. Select the **Add Premium Pay Request** button.

3. Use the Transaction drop-down menu to select the type of Premium Pay being requested.

4. Enter the **Start** and **End Dates**, and the **Start** and **Stop Times** for the Premium Pay hours being requested in the appropriate fields, or, enter the number of hours in the Daily Hours field.

Select the **Add New Row** button to add additional dates and times as necessary.

5. Select the **Submit** button to submit the request to your Supervisor. Pending requests can be deleted by clicking the **Delete** button.

Note: Once submitted, premium pay requests cannot be modified until the supervisor takes action.

Once approved, the hours will automatically be added to your timesheet.
