Overview

Document Scope

This CitiManager® Site User Guide provides detailed step-by-step instructions for some of the most commonly used CitiManager Site functions available to Non-cardholders.

Your Access May Vary

The functions you have access to are based on your role and entitlements. You may not have entitlements for all the functions described in this User Guide. Some fields are defined at the company level so there may be variances in what is described in this User Guide based on your company’s setup.

A Note About Navigation

Most step-by-step instructions in this User Guide assume you are already logged into the CitiManager Site. Refer to the Log In to CitiManager Site topic for the steps required to log in.

Unless otherwise noted, the step-by-step instructions begin from the CitiManager Site Home screen.

What Is CitiManager?

The CitiManager Site is a powerful online tool that allows Non-cardholders to efficiently manage their card programs. Depending on your company’s setup, you will be able to:

- View accounts, statements, balances and transactions
- Dispute transactions
- View authorizations
- Review and approve/reject application and maintenance requests
- Perform account maintenance
- Create users
- Activate and deactivate users
- Assign applications and companies
- Set passcodes
- Manage alerts
- Manage your profile
Basic Navigation

Description

After you log in to the CitiManager Site, the Home screen displays. The Home screen acts as a dashboard and displays a high level metric summary of your program — including outstanding requests, accounts overdue, total credit remaining, number of un-activated cards and recent activity.

You can also view a list of application and maintenance requests. Use the navigation options from the header and the side navigation bar as well as quick links to navigate to additional program information and preferences.

Self Register as a Non-cardholder

Key Concepts

As a Non-cardholder it’s possible to self-register for the CitiManager Site so you can manage your card program.

In order to self-register, a Registration ID and Registration Passcode are required.

Citi will send one e-mail with your Registration ID and another with your Registration Passcode. These e-mails are required during the registration process.

Once you receive your registration details, you must register within 60 days or your details will expire. You will be reminded every 15 days until your registration is complete.

The Registration ID and Passcode can be reset by your administrator.

Log In to the CitiManager Site

Key Concepts

In order to access your account information in the CitiManager Site, you must log in to the application using a valid username and password and then answer a challenge question.

You can only have one session of CitiManager open at a time.

As an additional layer of security, you may be required to enter a one-time passcode (OTP) during the log in process. The CitiManager Site will assess the risk based on your previous log in history. This additional step of authentication will not be necessary for every login.

If you cannot remember your username or password, refer to the Retrieve Forgotten Username or Reset Forgotten Password topics in this User Guide.

Step-By-Step Instructions

   
   The CitiManager Site Login screen displays.

2. In the Username field, type your username.

3. In the Password field, type your password.

4. Click the Sign On button.
   
   The Challenge Questions screen displays.

   **Note:** If the system determines it necessary, the One-time Passcode receipt option screen displays. Select how you would like to receive your one-time passcode (The text option is recommended provided your mobile phone number is current in your profile) and click the Continue button. When the eight-digit code is received, enter it on the One-time Passcode screen in the CitiManager Site and click the Continue button. The one-time passcode expires after five minutes (300 seconds).

5. Answer the challenge question and click the Continue button.
   
   The CitiManager Site Home screen displays.
View Card Account Details

Key Concepts

You can search for Cardholder accounts that reside in your assigned hierarchies. Once the search is complete, you may view:

• Balance, credit limit and payment information
• Links to recent transactions and previous statements
• Aging of balance information
• Card contact information

Non-cardholders can only access accounts within their span of control.

The Card Details screen is also a launching point if you want to view recent transactions, billed statements/transactions or perform other actions such as viewing disputes if they were submitted through the CitiManager Site, viewing the account hierarchy or setting alerts for the Cardholder.

Note: To perform an advanced search using the Bill Type, Country, Username, Hierarchy Name, Hierarchy Unit or Name Line 1 fields, click the More Options button. If you search by Hierarchy Unit, you must enter the full hierarchy number with no spaces or dashes.

To search for users at a specific hierarchy level, click the Lookup Hierarchy link. If necessary, click the (+) plus sign icon to expand the hierarchy. Select the checkbox for the desired hierarchy and click the Select button.

The search results display at the bottom of the screen.

Note: To sort the results by the Card Number, Username, Card Name, Status or Bill Type columns, click the column header name.

3. From the Card Number column, click the link for the card account you wish to view.

The Card Details screen displays the card overview including balance and payment history, links to recent and previous statements, aging of balance information and the card contact details.

Note: To navigate back to the Search Results screen, click the Back button that displays at the bottom of the screen or the link in the breadcrumbs displayed at the top of the screen.
4. From the Card Details screen you can also navigate to the following actions on the account:

- Depending on your company's setup you can View Account Information, View Disputes, View Hierarchy, View TBR Hierarchy and Update Alerts for the account by clicking the desired link that displays on the right-side of the screen.
- To view recent transactions or previously billed transactions for the selected card account, click the Recent icon or the desired statement date icon.
View Statements and Recent Transactions

Key Concepts
You can view a Cardholder’s current statement or a statement from previous months. Transaction data will be retained for the previous 72 statements. You can also view recent transactions for a Cardholder that have posted to the account but have not yet been billed to a statement.

The Statements screen displays a snapshot of balances, payments posted and due dates. A list of transactions also displays and at the bottom the screen and you can expand each to view additional detail that may have been sent to Citi from a merchant. Transaction detail will include the original currency amount, currency exchange rate and the conversion amount that was posted and may include items such as airline name, ticket and flight number.

Additionally, you can initiate a dispute if the transaction meets the requirements.

You can download and print transactions for individually or centrally billed accounts. If you wish to print recent transactions, it's recommended you download the transactions in Excel format. Once the document is open, you can print it by selecting Print from the File menu.

6. To view additional transaction detail, click the ellipsis (…) link that displays on the right-side of the row you wish to expand. The row expands and additional transaction detail displays.
Perform Account Maintenance

Key Concepts

To perform account maintenance, the Cardholder Maintenance form must be completed and submitted to Citi. Account Maintenance allows the Non-cardholder to update Cardholder account information such as card address, discretionary codes, and spending controls and temporary spending controls.

For individuality billed accounts, a Non-cardholder is not permitted to perform account maintenance on their own account.

You can maintain information such as the address, credit limit, temporary credit limit, credit rating and Merchant Category Code Groups (MCCGs).

If a replacement card is required, contact Citibank Customer Service to initiate a replacement request.

Manage Application and Maintenance Requests (View Requests)

Key Concepts

You can search for and view all online application and maintenance requests submitted through the CitiManager Site. Non-cardholders can approve or reject the user requests as well as print requests, view the audit log and add comments to a request.

From the View Request screen you can also:

- View the Maintenance Audit Log
- Override an approval
- Delete an application request if entitled
- Download applications

The option to approve and reject a request depends on the workflow and the status of the selected request.

To delete an online application request, a Non-cardholder must have that entitlement assigned to them.

The Delete Application Request link is only enabled when the Select Request Type is Individual online application, Bulk online application, or New account application and the application status is not Processed or Approved.
