The making of any false statement or representation on this form, knowing it to be false, is a violation of Title 18, Section 1001 United States Code, which provides for the penalty of a fine of \$10,000 or imprisonment of not more than five years or both.

According to the Paperwork Reduction Act of 1995, a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for the information collection is 0605-0028. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Trade secrets and commercial or financial information that is privileged or confidential reported to, or otherwise obtained by, the Board or the Secretary (or any representative of the Board or the Secretary) under the Concrete Masonry Products Research, Education, and Promotion Act of 2018 shall be kept confidential by all persons, including all employees and former employees of the Board, all officers and employees and former officers and employees of contracting and subcontracting agencies or agreeing parties having access to such information. Such information shall not be available to Board members or manufacturers. Only those persons having a specific need for such information to effectively administer the provisions of this Order shall have access to such information.

All information collected will be treated as confidential, as indicated on the forms and in conformance with the Privacy Act and Freedom of Information Act. The Department's staff is required to maintain confidentiality. Other confidential information will be withheld from public review under the Freedom of Information Act and the Privacy Act, 5 USC 552.
