Notice of Funding Opportunity (NOFO) Announcements

(Dates are in 2023 unless indicated otherwise)

Bureau	Law	Funding Opportunity Announcements	Dates	Available funding
NIST	CHIPS	First CHIPS NOFO	Open on February 28, Rolling	Up to \$38.22Bin direct funding, up to \$75Bin direct loan or guaranteed principal
		Statement of Interest (for current and future CHIPS NOFOs)	Open on February 28, Rolling	
		Optional Leading Edge Pre-Application	Open on March 31, Rolling	
		Leading Edge Full Application	Open on March 31, Rolling	
		Current-generation, mature-node, and back-end Pre-Application (Recommended)	Open on May 1, Rolling	
		Current-generation, mature-node, and back-end Full Application	Open on June 26, Rolling	
		Wafer manufacturing facilities, Pre-Application (Recommended)	Open on September 1, Rolling	
		Wafer manufacturing facilities, Full Application	Open on October 23, Rolling	
		Semiconductor materials and manufacturing equipment facilities, Pre-Application (Recommended)	Open on September 1, Rolling	
		Semiconductor materials and manufacturing	Open on October 23, Rolling	

		equipment facilities, Full Application		
EDA	Supp	Disaster Funding Supplemental (Supp)	Open on April 24, Rolling	\$483M
	Supp, FY23	Tech Hubs Phase 1 NOFO	May 12 to August 12	\$15M (\$500M total for Tech Hubs)
	Supp, FY23	Recompete Pilot Program Phase 1 NOFO	June 30 to October 5	\$12M (\$200M total for Recompete)
NOAA	IRA	Climate Resilience Regional Challenge	June 20 to August 21	\$575M
	IRA	Climate-Ready Workforce for Coastal States and Territories Competition	June 30, 2023 to February 13, 2024	\$10M
	BIL	Tribal Engagement in Regional Ocean Partnership Priorities	May 31 to August 30	\$1.8M
	BIL	Coastal Zone Management Habitat Protection and Restoration	June 13 to August 14	\$60M
	BIL	National Estuarine Research Reserve System Habitat Protection and Restoration	June 13, 2023, to January 10, 2024	\$16M
	BIL	Margaret A. Davidson Graduate Fellowships for the National Estuarine Research Reserve System	June 8 to December 4	\$1.8M
		Ocean Acidification Coastal Research: Uniting Investigations and Shipboard Experiments	June 21 to September 18	\$1M
		Ocean Acidification Program Education	June 29, 2023, to February 23, 2024	\$400K
		Ocean Exploration Education	July 16 to September 15	\$10M
		John H. Prescott Marine Mammal Rescue Assistance	July 14 to October 12	\$150K
		Climate Program Office FY2024	July 13 to November 17	\$9M
		Climate Program Office NIHHS FY2024	July 12 to October 16	\$9M

	IRA	FY2023 Ocean-Based Climate Resilience	July 10 to September 11	\$5M
		FY2024 Bluefin Tuna Research Program	July 26 to September 23	\$600K
	IRA	FY2024 Weather Program Office Data Assimilation	July 26 to October 13	\$7M
	BIL and IRA	Restoring Fish Passage through Barrier Removal	July 31 to October 16	\$175M
		Species Recovery Grants to States (Section 6 Program)	August 1 to October 31	\$1.7M
		Species Recovery Grants to Tribes	August 1 to October 31	\$300K
NTIA	BIL	2 nd Tribal Broadband Connectivity Program NOFO	July 27 to January 23, 2024	\$980M
TOTAL			\$2.37B + \$38.22B in direct funding, up to \$75B in direct loan or guaranteed principal	

Award Announcements

Bureau	Law	Award Announcements	Date (<i>estimated in italics</i>)	Funding announced
NOAA	BIL	Enhancement of Coastal, Ocean, and Great Lakes Observing Systems Awards	<i>May 2023</i>	\$14M
NOAA	BIL/IRA	BIL Year 1 Climate Ready Coasts Awards	April 2023	\$562M
NTIA	BIL	Middle Mile awards	June 2023	\$930M + \$50M to be awarded
NTIA	BIL	Digital Equity planning grants for territories	May 2023	\$600K
NTIA	CAA+ BIL	Tribal Broadband Connectivity Program (TBCP) awards from 1st NOFO	<i>Ongoing through summer</i>	\$1.78B + \$200M to be awarded
MBDA	ARP	Capital Readiness Program	August 4	\$117M
TOTAL			\$2.47B already announced	

Other Announcements

Bureau	Law	Other Announcements	Date (<i>estimated in italics</i>)
--------	-----	---------------------	--------------------------------------

NIST	CHIPS	National Semiconductor Technology Center White Paper	Published April 25
