

Application Review and Scoring for Reviewers - Webinar QA

CATEGORY	QUESTION	ANSWER
General Questions	Can we get a copy of this presentation?	Yes, today's presentation will be shared by the GEMS PMO team.
	I missed the first couple of minutes of the webinar. Specifically, who (in the agencies) will need to have access to the eRA system?	All federal staff with a role in the grant lifecycle process should have access to eRA. GEMS PMO team is continuing to determine who is granted access and getting them setup.
	Will [we] be required to use the review module for proposals submitted through eRA?	For non-competing application they will not be required to use review For competing applications they should use review if they want the results of the review captured in the system but they are not required to complete the review in eRA.
