The image shows the UKG GovTA login page. The page has a dark blue header with the UKG logo and the text 'UKG GovTA'. Below the header, there is a paragraph of text explaining that the user is accessing a U.S. Government information system and listing the components of the system. This is followed by a disclaimer about the use of the system and a warning about Controlled Unclassified Information (CUI). Below the disclaimer, there is a note that items marked with an asterisk are required. The login form consists of two input fields: '* User ID' and '* Password', both with red arrows pointing to them from a red box. Below the input fields is a blue 'Log In' button with a red arrow pointing to it from a red box. A large red box at the top right contains the text: 'Make sure your User Id and Password are filled in the way you know they should be, NOT blank.' The background of the page is a night-time photograph of the White House.
