The image shows the UKG GovTA login page. The page has a dark blue header with the UKG logo and the text 'UKG GovTA'. Below the header, there is a paragraph of text explaining that the user is accessing a U.S. Government information system and listing the components of the system. This is followed by a long paragraph of legal disclaimers and a note about Controlled Unclassified Information (CUI). Below the text, there is a section for login credentials with two input fields: '* User ID' and '* Password'. A blue 'Log In' button is located below the password field. The page is annotated with two red callout boxes and red arrows. The first callout box, located in the upper right, contains the text 'Make sure your User Id and Password are filled in the way you know they should be, NOT blank.' and has two red arrows pointing to the User ID and Password input fields. The second callout box, located in the lower right, contains the text 'Click the Log In button next.' and has a red arrow pointing to the 'Log In' button. The background of the page is a photograph of the White House at night.
