Annie,

I apologize greatly for this shift. Minister Bains is tied up in his Parliamentary duties at the moment and cannot step out for the call. Would it be possible to reschedule for another day?

Again, I apologize for the last minute change and look forward to finding another time to connect this week.

Kindly confirm receipt of this note.

Thank you,

See below a request from the executive committee for the Florida Association of Broadcasters for the Secretary next Monday. Senator Scott was joining the group but had a last minute cancellation. Because of the Secretary's connection to Florida the group would like to invite him to join them for dinner. It should be noted, the group is not reporters this is the executive board members. Feel free to call me with questions (b) (6)

Julie,

On behalf of the Florida Association of Broadcasters Executive Committee and Board of Directors we would like to see if you could forward an invitation for Commerce Secretary Ross to join us for dinner this Monday night, February 25th at BLT Prime at Trump International Hotel. We will have approximately 15-20 top broadcasters representing the television and radio industry from our state. If Secretary Ross or someone else is available to join us for dinner and share the vision of the Department of Commerce that would be great. It's a fairly informal dinner group who would enjoy getting to know members of the US Senate and US House.

Thank you let us know if there is any additional information you need.

Hi Talat-

If possible, tomorrow following SWR's 11:30 remarks (approx 10 min remarks) could we hold 10 minutes for a brief meet-and-greet with Jim Cantrell, CEO of Vector Launch. He will be at DOC for the space summit and we've had a couple meetings get dropped with him in the past. I know SWR has a busy day and can make sure the meeting does not exceed 10 min. I can bring Jim up to SWR's office for a few quick min.

Let me know, thanks!

Patrick—

Thank you for the great call today.

Greater New Orleans, Inc. is pleased to invite Secretary Wilbur Ross to join us for a roundtable discussion focused on women in business and entrepreneurship. We recommend that we partner with the Idea Village and the New Orleans Startup Fund to host 20-35 women business leaders and women entrepreneurs for a breakfast roundtable to be held on Thursday, March 21, 2019, 8:30 – 10:00am. In the absence of our CEO, Michael Hecht, our former board chair, Tara Hernandez has agreed to serve as the Secretary's official host.

The roundtable would take place at GNO, Inc.'s office: 1100 Poydras, Suite 3475, New Orleans, Louisiana 70163. I have attached a draft invitation that we are happy to extend to invitees, once approved by the Department.

On another note, we were able to adjust Michael's schedule for Wednesday, March 20, 2019, and he is now available for an evening meeting with Secretary Ross. Michael has suggested the following leaders attend Wednesday evening's meeting:

- \* Michael Hecht, President & CEO, Greater New Orleans, Inc.
- \* Greg Rusovich, CEO, Transoceanic Trading and Development Company LLC
- \* Maura Donahue, Executive Vice President, Donahue Favret Contractor, Inc.
- \* Guy Williams, President, Gulf Coast Bank & Trust
- \* Open for one additional guest

Please let us know if we can provide further details on logistics or program. I will share a list of roundtable invitees with you by Monday morning.

Again, we are thrilled to host Secretary Ross and we ensure he will be met with warm New Orleans hospitality.

Best,

Hyma

Ron is speaking at AIPAC and I’m still waiting to hear on exact timing there, but wanted to put this request in the queue with you to see if the Secretary was even in town that day and available to meet.

**Location** Secretary's Conference Room  
**Reminder** 15 minutes

Hi Tala,

I am reaching out on behalf of the Nuclear Energy Institute to see if it would be possible to request a meeting with Secretary Ross in the near-term for a group of senior nuclear industry executives related to the current Section 232 investigation on uranium. The goal of this meeting would be to discuss our perspective on the issue and the path forward for the industry's proposed solutions as outlined in the attached letter. If his schedule permits, we would like to meet in the next few weeks.

As you may know, the outcome of the Section 232 investigation and any related actions that the Trump Administration chooses to take may have significant impacts on the U.S. nuclear industry. As the policy organization for this industry, NEI convened an executive-level task force of utilities and fuel suppliers which developed the recommendations included in the attached letter.

Thank you in advance for your consideration of this request. If you have any questions about this or would like additional details, please let me know.

Best regards,

Carol

Carol L. Berrigan | Senior Director, Federal Programs

Michael,

I'm a partner with former Energy Secretary Spence Abraham and was his Chief of Staff at DOE (let me know if you want to swap war stories). Spence is non-executive Chairman of Uranium Energy Corp, a domestic uranium mining company which is very interested in the Commerce Dept. 232 investigation and upcoming recommendation. We were hoping to have Secretary Abraham and UEC CEO Amir Adnani meet with Secretary Ross on the issue in the coming weeks.

We've requested the meeting through Anne Teague, Talat Goudarzi and Dave Dorey at Commerce, but thought I would put in a plug for your assistance as well. We gave dates for this week and March 18 but will make other dates in March work as well. It's our understanding that the recommendation will be made in early April so we hope to get in before the end of the month.

Thanks for your consideration.

Best,

Joe

Macie,

Last year, the invitation to this same event was from Jo Carole Lauder. We advised that the invitation could be accepted based on the personal relationship exception to the gift restrictions (because the Secretary and Mrs. Ross had a personal relationship with Ms. Lauder that predated the Secretary's appointment).

This year, the invitation is from Bob Colacello. Do the Secretary and Mrs. Ross have a personal relationship with Mr. Colacello that predates the Secretary's appointment?

Dear Hilary,

I would very much like to invite Wilbur and you to join my table at the gala dinner FAPE holds every year in the State Department's historic Diplomatic Reception Rooms. This year's dinner, on Monday, April 29, will honor the illustrious documentary filmmaker Ken Burns, who will be presented with FAPE's 2019 Leonore and Walter Annenberg Award for Diplomacy through the Arts.

This is always a festive evening, with many of the artists who have donated their works to American embassies since our founding in 1986 in attendance, along with American and foreign diplomats,

members of Congress, FAPE's board, and other distinguished guests. The dinner is limited to 250 guests, and I'm sure you will know many of them. I really hope you can make it, as does FAPE's chairman, Jo Carole Lauder.

All best wishes,  
Bob

We are happy to come to you or host in our office.

Earl/Patrick—

I wanted to follow-up from the request today to have Secretary Ross speak at the American Boating Congress. If his schedule allows, we would welcome him on May 15th anytime between 8:30-1pm. There is some time also on May 14th between 8-9:30am if that works better. The conference is held at the Renaissance Hotel in downtown DC and draws about 250 executives from throughout the boating and fishing industries. Happy to answer any logistics questions and really appreciate the consideration.

Thanks!

I'm emailing to schedule a discussion of OPIC's bylaws and directives between Sec. Ross and Dave (unrelated to next week's call).

Is Sec. Ross available today from 3 – 4:30PM? Or tomorrow from 9 – 10AM or 11:30AM? If not, please let me know when it would work for him.

Thank you!

Dear Mike,

Very nice to speak with you!

Here attached please find the letter that was sent to your office, inviting the Secretary and his wife to the celebration of our national day, which will take place on May 30th at 6.30 pm at the Embassy of Italy (3000 Whitehaven Street, NW).

As discussed, the Ambassador and his wife would be delighted if they are able to attend.

I will make sure you receive an invitation as well.

As per our lunch at the Embassy would Wednesday 22 work for you? If not let me know what days in the following weeks can work. I really hope we can meet in person soon.

Thank you for your help,

Irene

Dear Secretary Ross,

On behalf of the National Biodiesel Board Fair Trade Coalition, I would like to arrange a meeting with you at your earliest convenience during the next several weeks.

As you know, the U.S. biodiesel industry and the American farmers that supply it have a strong interest in the Department of Commerce's "changed circumstances" reviews of the antidumping and countervailing duty orders on biodiesel from Argentina that the Department issued just last year. As the Department considers its next steps in these reviews, we would appreciate the opportunity to discuss with you the vital importance of these orders to our industry following years of surging imports of massively subsidized and dumped biodiesel imports from Argentina, and how the results of these reviews can impact markets.

I can be reached at the phone numbers listed below and will look forward to hearing from you regarding a time and date we can meet. Thank you for your consideration.

Hi Talat,

Thank you for this confirmation. Stewart and Denny will be available at that moment Monday to meet with Secretary Ross.

Best regards,

No problem, we'll make sure Kevin is added to the calendar invite.

I don't see a POC for Northstar in the paper. Is post handling the confirmation?

Talat - this can be added to the Secretary's calendar for Monday, June 10, 10:15 AM – 11:00 AM.

Good morning, would there be an opportunity for Dave Burritt, CEO of U. S. Steel, to have a brief call with Secretary Ross either this afternoon after 2:30pm or anytime on Thursday? Mr. Burritt would like to follow up on the Secretary's speech to the steel industry on Monday evening and share information on potential operational actions at U. S. Steel. If a call is possible, we can either schedule a specific time or I can provide a number to call if there is a window of potential availability. Thank you for the consideration.

Best regards,

Looping in Kelly who is helping schedule. We would theoretically schedule this for 20 minutes just prior to the Governor-COM reception, which is right across the street.

Dear Ms Goudarzi,

Thank you very much for your mail and for confirming the participation of Secretary Ross at the reception of the Ambassador of Austria on Monday, June 10 to welcome the Austrian Delegation to SelectUSA 2019.

The Austrian Delegation to SelectUSA 2019 (some 20 delegates) will arrive at the residence of the Austrian Ambassador at 6 pm and we are expecting Secretary Ross at 6.15 pm.

(I am enclosing the original invitation card, but please note that we are expecting Secretary Ross at 6.15 pm and not at 6.30 pm as stated on the invitation card)

Ambassador Wolfgang Waldner will deliver a short welcoming speech, followed by short remarks by the Vice President of the Austrian Chamber of Commerce, Mr Jürgen Roth.

The US Ambassador to Austria, Tevor Traina, will then introduce Secretary Ross and it would be an honor if Secretary Ross could address the audience as well with some remarks.

Please let me know if you need any more information about this event.

We are looking forward to Secretary Ross' participation.

Best regards,

Embassy of Austria Washington D.C.

Hi Talat and Jim –

Following up again on this and from my call with Talat - it sounds like the 11th is the best day to look at opportunities.

Connecting Talat and Catherine Layfield (who is handling Klaus's scheduling next week) who can connect to discuss options, especially given the SelectUSA meetings which I know are keeping you busy!, but look forward to locking in a time as soon as possible. Please note we have also attached the Secretary's official invitation to the Annual Meeting in Davos, for consideration and for discussion next week.

Many thanks,

Elizabeth

It looks like the email address was one letter off and did not reach you following our discussion earlier this week. I am circling back to ask if Secretary Ross is able to accept Director Hartogensis' invitation to his swearing in ceremony at the Supreme Court and also to provide a few

Dear AWPAB Members and POC's,

Thank you all for your participation in your working groups over the past couple weeks! The proposals and ideas discussed in each working group will help lead to an in-depth and productive meeting at the next full Board meeting of the American Workforce Policy Advisory Board.

As many of you know Mayor Lyles has generously offered to host the next full principals meeting of the American Workforce Policy Advisory Board in Charlotte, NC. While we are still finalizing details, we would like to share draft logistical details so that your principals can save the date and plan their travel. In addition to the official public board meeting, there are two optional activities: a dinner hosted by Mayor Lyles on June 17 and a tour of the Siemens' facilities and apprenticeship program the morning of June 18.

This email is to inform you that Policy Time – Trade has been APPROVED and added to the President’s schedule. Information regarding your event is below.

DATE/TIME/LENGTH OF PARTICIPATION: Thursday, June 20, 2019 at 2:00 PM (45 min)

LOCATION: Oval Office

EVENT FORMAT/PROGRAM: Meeting

PRESS: Closed

INTERNAL PARTICIPANTS:

The Vice President  
Mick Mulvaney, Acting White House Chief of Staff  
Secretary Steven Mnuchin, Department of the Treasury  
Secretary Sonny Perdue, Department of Agriculture  
Secretary Wilbur Ross, Department of Commerce  
Ambassador Robert Lighthizer, U.S. Trade Representative  
Christopher Liddell, Assistant to the President and Deputy Chief of Staff for Policy Coordination  
Marc Short, Assistant to the President and Chief of Staff to the Vice President  
Peter Navarro, Assistant to the President for Trade and Manufacturing Policy  
Larry Kudlow, Assistant to the President and Director of the National Economic Council  
Pat Cipollone, Assistant to the President and Counsel to the President  
All –

On Thursday at 2:00 PM (for now), we will have trade POTUS time. Originally, this was going to just focus on Uranium (and require DOD and DOE participation). But, I think there are a few other matters to discuss. So, we will probably focus the first 20/30 minutes on

Uranium, then shift into a more general trade meeting (which will not require DOD and DOE participation).

For review and discussion ---

 Dear Sir,

I am co-heading the restructuring practice at Rothschild and closely follow the Venezuelan situation.

Hans Humes from Greylock Capital who I know well, gave me your details and has suggested me to contact you.

With two colleagues (Inigo de Mesa and Stephane Charbit) I will be in DC tomorrow and Tuesday and will be very keen to come and see you if you accept it.

Best time options would be Monday June 24th from 4.30pm onwards or Tuesday June 25th at 1pm.

Dear Dakshina,

My name is Analia Rasgido, we've met in May at the meeting between Secretary Ross and Minister Sica, Minister of Production and Labour of Argentina.

I allow myself to contact you on behalf of Mr. Dante Sica because his assistant has been trying to schedule a call conference with Mr. Ross, but she hasn't received any confirmation yet. Earlier today, I also sent an email to Lynn Costa regarding this matter.

Mr. Sica would like to have a call conference with Mr. Ross to assess the situation of Argentina's biodiesel exports to the United States. He will be attending the call conference with Marisa Bircher, Secretary of Foreign Trade, and Horacio Reysner, Secretary for International Economic Relations.

Please note that President Trump and President Macri will be meeting on thursday on the G20 Summit. Accordingly, midday and the afternoon of the 26th or the morning of the 27th would be a preferred option for us, in order to inform President Macri on the progress made.

I remain at your disposal to discuss any further details and hope to be able to coordinate the call conference with your office.

With Best Regards,

---

Good morning Talat,

I hope that your summer is off to a great start!

David Carmen asked that I reach out to you to see if we could reinstate our request for Paul Coulson, Chairman of Ardagh, to meet with Secretary Ross. He would like to discuss the Department's self-initiation with regard to anti-dumping on China against glass as well as the potential industry exclusion on tinplate for food containers. Lastly, he would like to simply catch-up with the Secretary.

Mr. Coulson will meet anytime, anyplace in the country. Do you think it is possible to squeeze him in in the coming weeks?

Many thanks Talat,

Alison Cricks

Tala,

Thank you for your patience in my reply.

I understand the secretary's schedule may be unavailable; but if there were a period of time on either Monday (7/8) or Tuesday (7/9), then we would look to make it work.

If Secretary Ross' schedule permits such a call, then the subject would regard guidance on matters related to OPIC's Board of Directors. Mr. Bohigian was hoping to speak briefly in advance of new members' swearing-in mid-week of the week of July 8.

Have a good rest of your night.

Best,

Sam

Hello Mr. Risko,

I hope that this email finds you well. Attached you will find a draft program for the Swearing-In Ceremony for Commissioner Saul. It may change slightly before the ceremony begins, just an FYI.

We are expecting between 60-75 guests, and the actual program should take no longer than 30 minutes (from 4:30pm-5:00pm). There will be a small reception that will follow the ceremony, and things will wrap up and end between 5:30 or 6:00pm.

If you need any further details or have any further questions, please do not hesitate to let me know.

Kindest regards,

Victoria Burnham

Per my discussion with James Rockas the newly installed Orthodox Archbishop of America will be attending the Religious Freedom Ministerial which will be held next week on July 16-18 2019 <x-apple-data-detectors://10> at the State Department. Hey girl-

Wanted to reach out and flag something for you for Sec. Ross. You can see the below for more details, but wanted to let you know that we are interested in having him speak as part of the State Leadership Day on July 16, which will include county commissioners, municipal officials, and other invited guests from Maine, Vermont, New Hampshire, Massachusetts, New Jersey, Delaware, New York, Rhode Island, and Connecticut.

White House IGA will likely be reaching out to DOC's intergovernmental team if they have not done so already, but I wanted to put it on your radar as well!

Subject: State Leadership Days

Hi, Emily –

Wanted to let you know that we are starting to reach out to Cabinet to attend our State Leadership Days for this summer and fall.

#### State Leadership Days

Over the first two years of the Administration, the White House Intergovernmental Affairs team hosted county commissioners from across the nation at the White House for conversations on improving the Federal-local relationship and to advance shared priorities. Connecting state and local elected officials with White House officials and officials in the federal departments and agencies improves relationships, promotes federalism, and advances shared priorities. Over 3,700 individual local leaders, including upwards of 1,700 county officials, and invited guests from all 50 states attended one of 35 events at the White House. All but one of the events had a Cabinet member. Senior White House staff, including Kellyanne Conway, participated extensively, and the Vice President joined in almost half of the events. President Trump headlined the last State Leadership Day at the White House noting that state and local elected officials are “so important” to advancing Administration priorities.

To continue on this unprecedented engagement with county leaders, IGA is planning a series of 10 follow-up events that are based on regions. These events will focus on newly elected county leaders and county officials that were unable to attend the first round of briefings. This event will include county commissioners, municipal officials, and other invited guests from different sections of the country. Events will begin about 1 PM and last until approximately 4:30 PM – we can work with the Cabinet Members on finding a time that works best for their schedule.

I will keep you posted.

Appreciate your help!

Morgan

SWR's invitation to the OneWeb/Airbus opening on July 22 is included below. The facility is considered a state-of-the-art satellite manufacturing and automation center. I spoke to Katie Dowd, the event organizer, this morning.

The event will run from about 8:30-11 including a ribbon cutting ceremony and remarks, which will be held in a large tent. There's a VIP tour before hand that will at least include Senator Scott, Congressman Cosey, and State A/S for Economics Singh. Between 300-350 guests are expected, and both local and national media (WSJ) have been invited. There will be television coverage, though she didn't have much detail on that yet. Food and drinks to follow.

OneWeb is known for its thoughtful consideration of space safety as it plans to launch a mega constellation, and will soon announce an initiative called "Responsible Space". They are actively talking about a variety of initiatives ranging from mission life to satellite design to others.

Remarks would be 5-10 minutes max, and would lead 2-3 other speakers. My recommendation would be to have SWR give remarks on improved SSA/STM (including commercial participation) as a key element of the trillion dollar space economy. He could use the speech to describe progress on the DoD/DoC initiatives and highlight other industry moves to enhance space safety.

If SWR would like, they would also host him at a VIP dinner on Sunday evening.

June 25, 2019

The Honorable Wilbur Ross

United States Department of Commerce

1401 Constitution Ave NW

Washington, D.C. 20230

Secretary Ross:

On Monday, July 22, 2019, OneWeb Satellites, a joint venture of OneWeb and Airbus will officially open the first-ever, high-volume satellite manufacturing facility in Exploration Park, Merritt Island, Florida near the Kennedy Space Center. As a member of the President's Space Council, we would be honored if you can join us as a special guest and speaker.

In concert with the 50th anniversary celebrations of the historic Apollo 11 Moon landing, we will help mark the next era in the space technology revolution by unveiling a state-of-the-art facility that will produce satellites at a size and cost previously thought unimaginable. Leveraging advanced manufacturing and automation capabilities, the

facility will produce a minimum of two satellites a day.

The facility is also helping to fuel the economic comeback of the Space Coast, by creating jobs in the region. The facility will bring more than 250 direct jobs, ultimately supporting 3,000 jobs.

OneWeb, whose U.S. headquarters is in Tyson's Corner, is building the world's first global communications network in space that will deliver high-throughput, high-speed Internet services capable of connecting everywhere, to everyone. Over half of the world's population is not yet connected to the Internet – we believe that everyone should be able to access and benefit from connectivity so that they can create opportunities for themselves and their communities.

What Henry Ford did with cars and the assembly line, OneWeb Satellites is doing with satellites. We are excited to be the leaders of this next generation of space innovation, with the mission of providing service and opportunity for everyone.

We hope you can join us on Monday, July 22nd as we open this new state-of-the art facility.

Below are the specific details of the event:

Monday, July 22, 2019

Exploration Park, Florida Merritt Island

Welcome Reception: 8:45 a.m.

VVIP Tour: 9:00 a.m.

We would be honored to have you join us and if however, you cannot attend, we would welcome a representative from your office in your

Hello Ms. Tala,

H.E. the Minister is proposed to visit DC in October and would like to see Sec. Ross during that visit. The phone call would also be to discuss with him what topics we can list as discussion when they meet.

Hope this is sufficient.

Thank you so much once again for all your help.

Reg,

Dear Ms. Tala,

Thank you so much for your swift response.

Thursday, 25th July 2019 works well for the Minister. As you must be aware, we have 7 hours' time difference.

I think morning time would work to connect the call. Would it be suitable to set the call at 9 am USA time with Secretary Ross?

Many thanks once again for your kind assistance.

We'd like to set up a call for Senator Cassidy with Secretary Ross to follow up on the fisheries disaster requests the Department received from the LA delegation and Gulf State senators to get an update on the current state of the Department's review with the hope that review will be prioritized in order to make a fisheries disaster declaration. The Senator met with constituents this week in the affected industries to hear exactly how the high waters on the River and prolonged opening of the Bonnet Carre Spillway have impacted their businesses and so want to see if we can move along this process knowing LA Wildlife & Fisheries has been providing data to NOAA and others.

I'm copying Senator Cassidy's scheduler Zoe here to help coordinate with the Department. Please let us know if you have any questions. Have a good weekend.

Subject: for next week - (another) Korean Trade Minister Yoo Meeting  
Request

Talat,

Please see below and attached for this Korean Minister request to meet with SWR next week. There is also another Korean Minister request we sent to you prior for SWR to meet in mid August. You indicated that one could work out but we haven't heard a confirmation. That Minister is SWR's counterpart (for August mtg), but this one below (for next week) is also highly recommended by the team for SWR to meet. This one for next week is USTR-type of Minister. The team notes that SWR met with this Minister in May. Please let us know.

Valerie

Subject: Trade Minister Yoo Meeting Request

Lesley and Valerie:

Please see below. We recommend the meeting for the Secretary with  
Minister Yoo, who is USTR Lighthizer's counterpart, with a rank of  
9/10. This meeting would allow Commerce to ask for the resolution of  
a longstanding commercial dispute, in full accordance with  
Commerce/State commercial dispute policy, as well as several market  
access issues.

Also copying BIS for awareness.

Best,

Adrian Stover

 Thanks, David!

Talat and Nelly- I am reaching out with a calendar hold request for a

Celebration of Life memorial in remembrance of Chelsea Decaminada, a CLDP international program specialist that passed away after the Sri Lankan bombings. The family has requested a date of August 9th. If the Secretary and Deputy Secretary are available on that date, we'd like to have a hold placed on their respective calendars. I'm happy to talk more with either of you about the request. Thank you.

Best,

AMBASSADOR PYATT WILL CALL STEVEN'S LINE

Clay,

Ambassador Pyatt asked that I follow up to see if we can make another run at a phone call. I understand that Ambassador Pyatt and Secretary Ross had discuss a possible business roundtable for Greek leaders, including PM Mitsotakis, on the margins of UNGA. This call would be a first step in building those ties.

Also, I wanted to pass along the attached invite for Secretary Ross to speak at a conference on Greece in DC in November. Ambassador Pyatt is planning to return to DC for this conference.

Talat,

Our team received this request from the Brazilian Embassy for an SWR meeting with the Brazilian Minister of External Relations in mid-September.

The team ranks this meeting a 10 because SWR hasn't yet met this key minister, and this will keep momentum going after his visit to Brazil and ahead of our upcoming Commercial Dialogue and CEO Forum meetings this Fall/winter. With much high-profile discussion about a free trade agreement with Brazil (including POTUS tweets supporting one), it is critical that Commerce and SWR stay on top of the evolving

trade relationship. SWR co-chairs the CEO Forum, the marquis tool in the bilateral relationship, and the Commercial Dialogue accomplishes the technical work that is needed to get to a free trade agreement.

Please let us know.

Calling Steven's line

Hello Talat, I am writing on behalf of James (Jim) D. Irving to request a brief call with Secretary Ross. The purpose of the call is to invite Secretary Ross to the grand opening of our Macon, Georgia Tissue plant this fall.

Secretary Ross previously attended the ground breaking of the new plant in 2017, and spoke at the event.

Please let me know if you can help arrange a telephone discussion between Secretary Ross and Jim Irving for this purpose.

I have copied in Earl Comstock so he is aware of this request and our upcoming grand opening event.

Thank you in advance for your assistance.

Ross

Dear Secretary Ross,

I hope you are having a nice summer.

I would like to invite you to Camp David for a tour and dinner on Tuesday, September 17th, the evening before our 3rd American Workforce Policy Advisory Board meeting on the morning of September 18th in D.C.. Since so many will be in town, I thought it would be nice to gather a small group at Camp David for dinner. The tour and dinner will be casual and there will be no formal presentations, but it will allow for a convening of thought leaders and CEOs to discuss our collective commitment to supporting the skills and talents of American workers.

Please let my team know by Friday, August 16th if you plan to attend

the tour and/or dinner. They will follow up with exact times and details shortly.

I look forward to hearing from you soon!

Best,

Ivanka

Hello AWPAB Members and POC's,

Thank you again for all the hard work and insight in each of your respective working groups since the last board meeting in Charlotte, NC. A special thank you to Mayor Lyles and Barbara Humpton for hosting the board in June!

As you know the next American Workforce Policy Advisory Board meeting will be hosted in the DC area. Below are a few logistical details so that your principals can save the date and plan their travel.

Tuesday, September 17th:

Dinner

- \* Location: Camp David (near Emmitsburg, MD; 62 miles outside of DC).
- \* Time: Tour of grounds beginning late afternoon and dinner early evening. More details will be provided in the coming weeks.
- \* Please note that this dinner is optional and not an official meeting of the Board. Invitations will only be made available to Board members, and are non-transferrable.

 Hi Tala,

I hope you are well. I am writing to request a meeting on behalf of

Mike Wirth, Chevron's Chairman and CEO, during his visit to Washington, D.C. on Thursday, September 19th and Friday, September 20th. Mr. Wirth would appreciate the opportunity to discuss Chevron's perspectives on global oil and gas developments, as well as trade and sanctions.

Does Secretary Ross have any availability for a meeting on Thursday, September 19th and Friday, September 20th?

Thank you in advance for your help with this request.

Subject: PM visit and ASA/NASA LOI [SEC=UNCLASSIFIED]

Evening Kevin/Jason,

As you may be aware, our Prime Minister will be in Washington next week for a state visit beginning Thursday September 18.

One of the major announcements for the trip will be the signing of a Letter of Intent between the Australian Space Agency and NASA regarding the return to the Moon and onto Mars missions. The announcement will include a significant funding package by the Australian Government.

We've been in talks about this for some time with NASA, State and the White House, and we're excited to see it finally crystalise.

The PM's itinerary has an opening for a press conference/signing ceremony from 9-930am on Saturday September 21. The Australian Space Agency will be represented by the Head of the Agency, Dr

Megan Clark, and NASA by Deputy Administrator James Morhard of NASA. Ambassadors Hockey and Culvahouse will also be in attendance.

The outstanding parts of the puzzle are:

1. finding a suitable backdrop for the announcement (we've hit walls at the Air and Space Museum and the Goddard) and
2. finding a suitable representative from the US Government to accompany the Prime Minister.

We'd like to approach Secretary Ross to be the US' witness to the signing, and would be keen to get your advice on how best to proceed.

Australia and the US have a long history of cooperation in space, and we've enjoyed participating in the celebrations around the 50th Anniversary of the Apollo 11 Moon Landing. This is a milestone for the ASA and Australia, and we'd like to create as much buzz around the announcement as we can.

I'd be keen to chat further about this tomorrow (or even tonight). I'd be more than happy to provide further details and answer any questions. My number is (202) 944 0554.

Hope to speak to you soon.

Cheers and thanks,

-Tim

Hi friend!

The Secretary is not one of our presenters for this one, so he should just be prepared with 90-120 seconds of a general DOC update just in case. Here's the items we are tracking on the agenda:

That works for us. We'll have four folks from our side attend the pre-brief – please let me know what information you need to process their access request. Will the meeting be at 1401 Constitution Ave?

Earl Comstock and Kevin O'Connell attended the DC Gemini Shield exercise on behalf of DOC. I recommend inviting them to the pre-brief as well, as they both have the necessary SAP clearances for the exercise.

Thanks,

Madeline

Good afternoon Michael,

That's great news. I'd like to get Secretary Ross's pre-brief on the calendar for the exercise. Is he available the morning of 10/28, 10/29, or 10/30? The brief will take 45 minutes and the DoD team will come

to him.

Thanks very much,

Subject: Meeting with the Prime Minister of Estonia

Dear Michael,

I'm a political officer at the Estonian Embassy and as my colleague Helen Popp rotated out to Brussels I'm temporarily covering the trade and commerce portfolios until her successor will come to D.C.

On October 30th to 31st Estonian Prime Minister Mr. Jüri Ratas will be in D.C. and I'm writing to request a meeting with Secretary Ross.

Next June Estonia hosts the Three Seas Initiative Leaders' Summit and Mr. Ratas would like to discuss with Secretary Ross the future of Three Seas Initiative and how to attract more U.S. enterprises to the Three Seas Initiative Business Forum which is organized at the sidelines of the Leaders' Summit.

Would Secretary Ross be available for the meeting with the Estonian Prime Minister on October 30th or 31st?

I look forward to hearing from you,

Best regards,

Priit Kallakas

Good afternoon Ms Goudarzi,

The newly appointed Swedish Minister for Foreign Trade, Ms. Anna Hallberg has a planned visit to Washington D.C. on November 12. A main reason for this inaugural visit would be to meet with Secretary Ross. Sweden is a strong voice within the EU on trade policy and a leading ICT nation with strong industry offering technological solutions in the U.S. and globally. The main purpose would be to discuss issues related to ICT and 5G, including the Executive Order on Securing the Information and Communications Technology and Services Supply Chain, as well as to exchange views on US-EU trade relations.

We would very much appreciate if you could confirm the receipt of this request, and check the availability of Secretary Ross for a meeting on November 12.

Looking forward to your reply!

With kind regards,

Jenny

\*calling Stevens line

Dear Tala,

I am confirming that President Vucic's office will dial Steven's number that you listed below today at the appointed time (11:30am EST / 5:30pm Belgrade) in order to be connected with the Secretary.

In case something goes wrong, please reach out to Tanja Jovic, his advisor: (b) (6) by call or by SMS.

I should be reachable on my mobile (b) (6) at the outset of the call, and boarding a plane shortly after its completion (~12:00pm EST). I will be available again after 2:15pm EST on my private mobile, (b) (6) but checking my trade email regularly.

I would appreciate afterward confirmation from someone in the office that the call did take place successfully, and (together or separately) any readout that we can pass to Ambassador Godfrey.

Thank you all for your help and support.

This is a very important call for CS Serbia and Embassy Belgrade.

Best,

Suzanne

Lesley,

See the recommendation below from our team on a meeting request from the Secretary's Norwegian counterpart Torbjørn Røe-Isaksen. He will be in town Nov. 18th and the preference is to meet in the afternoon if he's available.

--

We give this meeting a ranking of 8. Secretary Ross has met before with Norwegian Minister for Trade and Industry Torbjørn Røe-Isaksen. This meeting will provide an opportunity to follow up on previous conversations about China's unfair trade practices and 5G; cyber security; bilateral trade and investment, and aquaculture, as well as to advocate for the purchase of F-35 fighter jets.

Many thanks.

Subject: Meeting request

Dear Jen and Michael,

We expect our Minister of Trade and Industry, Mr. Torbjørn Røe-Isaksen to Washington D.C. on November 14th.

We hope to secure a meeting with Secretary Ross during his visit. Would you be able to check the Secretary's availability that day, preferably in the afternoon?

Your advice on topics would be most welcome. The two secretaries could perhaps have a conversation about current trade policy issues, including bilateral trade, global trade, China, EU/Brexit etc. If desired, they could also discuss aquaculture, raised by Secretary Ross when they last met on May 23, 2018.

Happy to discuss over the phone if you have questions.

Best regards,

Pål

Madam Ambassador,

Thank you for taking the time to meet with the Secretary today. To assist in scheduling the Friday meeting with Ericsson, I am adding Tala Goudarzi, an advisor in our office. 11:00 AM would likely work, but she can provide the optimal windows for the Secretary's schedule.

For awareness, I am cc'ing our Chief of Staff, Deputy Chief of Staff, and Deputy General Counsel.

Thank you again,

 Mike,

I would like to schedule an ethics briefing for the Secretary. He is required to receive a live briefing each year, so it needs to be scheduled before December 31, 2019. I anticipate that I will only need 30 minutes, although if we want to build in more time for questions, 45 minutes should be sufficient. (There are no significant issues I need to raise with him.) Our records indicate that you have already received an ethics briefing this year, but you can sit in on the briefing if the Secretary is comfortable with that and you prefer to. I might also have another ethics attorney attend.

Dear Talat,

Hope all is well with you.

The President and CEO of Century Aluminum, Michael Bless, respectfully requests a meeting with Secretary Ross to provide him with an update on the current state of the U.S. primary and broader aluminum industry and the effective efforts of the Section 232 aluminum program.

The Section 232 aluminum program has helped to ensure that the United States can maintain primary aluminum production to safeguard our national security. However, moving into 2020, CEO Bless would like to provide the Secretary with an understanding of the challenges that lie ahead.

CEO Bless is available to meet the week of November 18th (other than the 21st) and the week of November 25th (other than the 28th).

As you may know, Century Aluminum (NASDAQ:CENX) has been the global leader in the production of primary aluminum. Century is the largest U.S. producer, representing over 45% of all primary aluminum made in the United States.

CEO Bless is also planning to meet with Ambassador Lighthizer, Larry Kudlow, Director of the National Economic Council, and Peter Navarro, Director of Trade and Manufacturing Policy to ensure that they are also updated on status of the U.S. aluminum industry.

Any availability of the Secretary is extremely appreciated.

Thank you very much again,

Nova J. Daly

Dear Mr. Secretary:

On behalf of the Atlantic States Marine Fisheries Commission (ASMFC), I am requesting a meeting with you to discuss the recent finding by ASMFC of noncompliance of the Commonwealth of Virginia under the Atlantic Coastal Act regarding Atlantic Menhaden.

ASMFC will send a noncompliance finding to you on November 15 (last day allowed under the Atlantic Coastal Act). Virginia failed to implement the catch cap for the Chesapeake Bay Menhaden reduction fishery and exceeded the cap by about 30% this year. Mr. Secretary, you are required to rule on the finding by December 15 and we'd like to discuss this matter with you.

In attendance at the meeting will be ASMFC's Chair, Pat Keliher (Commissioner of Maine DMR), Vice Chair, Spud Woodward (former GA DNR Coastal Division Director), ASMFC Executive Director Bob Beal, and CJ Zane from Blank Rome Government Relations. We are available to meet on November 18, 22, 25 or 26. Please let us know which day and time would be convenient for you to meet with us.

Thank you for your consideration of this request.

Talat,

Last month, the Semiconductor Industry Association (SIA) sent the attached letter to Secretary Ross and the Commerce Department.

We are very interested in following up on this letter at this time and would like to request a meeting between our president and CEO of SIA, John Neuffer, and Secretary Ross regarding the review and issuance of licenses for sales of commercial products to Huawei. Can we please work together to find a suitable time for a meeting?

Good morning Tala,

I hope you are well. Recently there have been a series of developments at the Atlantic States Marine Fisheries Commission (ASMFC) with the potential to have major impacts on the future of recreational fishing and the recreational fishing economy on a national scale. On behalf of the CEOs of the American Sportfishing Association, National Marine Manufacturers Association, Coastal Conservation Association, Theodore Roosevelt Conservation Partnership, and Center for Sportfishing Policy, I would like to request some time for the leaders of the sportfishing community to come in and visit with the Secretary about the opportunities he has, related to the ASMFC's actions, to continue to be a leader for America's recreational anglers.

It would be great if we could work something out for the week of December 2nd. Let me know what you think, and thanks in advance for the effort.

Much obliged,

Steve

Secretary Ross – On behalf of the Aluminum Association, I would like to request a meeting with you and executives from the Association's member companies to discuss issues related to the implementation of the Section 232 remedy for aluminum.

Association staff and member companies have met with BIS officials several times over the past year, and the industry's top executives continue to be concerned about the remedy's implementation and disruptions in the aluminum market. We have been closely monitoring the exclusions requests in the aluminum docket and analyzing U.S. aluminum industry data, including trade data, since the remedy first took effect last year. We would very much appreciate the opportunity to discuss our findings and recommendations with you. Our formal comments <[https://urldefense.proofpoint.com/v2/url?u=https-3A\\_\\_www.aluminum.org\\_sites\\_default\\_files\\_AA-2520Comments-2520to-2520BIS-2DSection-2520232-2520Product-2520Exclusions-5FAugust2019-2DFINAL.pdf&d=DwMF-g&c=VhZolPcolcxBQpA0e5\\_BL66VJfv8ydsVc5\\_UWeY\\_GkQ&r=yHWO3cLbYrKhrQ-EG9CaJg&m=h-LJcnimwVfYAXCkymXoElAkJITdkaTq\\_c\\_dRQzcME4&s=zdnq7GpBfmAV-LQ498tiChCFnZ6q3a8TuaA7w1Ok1V4&e=>](https://urldefense.proofpoint.com/v2/url?u=https-3A__www.aluminum.org_sites_default_files_AA-2520Comments-2520to-2520BIS-2DSection-2520232-2520Product-2520Exclusions-5FAugust2019-2DFINAL.pdf&d=DwMF-g&c=VhZolPcolcxBQpA0e5_BL66VJfv8ydsVc5_UWeY_GkQ&r=yHWO3cLbYrKhrQ-EG9CaJg&m=h-LJcnimwVfYAXCkymXoElAkJITdkaTq_c_dRQzcME4&s=zdnq7GpBfmAV-LQ498tiChCFnZ6q3a8TuaA7w1Ok1V4&e=>) submitted to BIS in August included several recommendations on both the policy and

the process for 232 product exclusions, including a recommendation that the Commerce Department evaluate all exclusion requests for key factors and adopt a stance of presumptive denial for exclusion requests from non-market economy countries like China. We are particularly concerned about exclusion requests that would allow, in aggregate, large volumes of imports to be excluded from the remedy – including large volumes of aluminum products from China.

We request a 30-minute meeting with you and your team the week of December 9, 2019.

Kind regards,

Joe Quinn

Talat,

Please see attached proposal for the Secretary or surrogate (KDK is listed) to participate in the December 17 launch (here in DC) of the White House-led America Crece initiative. ITA ranks it an 8.

This is a regional Western Hemisphere initiative. The I&A Energy Office director attends the sub-PCCs on this as it started out focused on energy but has since been expanded to include all infrastructure sectors related to the Western Hemisphere. The NSC is urgently trying to determine who the highest level official is from each agency that can participate in the launch. Thank you.

Hi Chelsey,

I hope this note finds you well and that you enjoyed your Thanksgiving holiday!

It's been some time since we last spoke, but I wanted to reach out to request a meeting between Secretary Ross and Alibaba's President, Mike Evans on December 16th or the morning- early afternoon of December 17th.

You may recall that the Secretary and Mike are pretty well known to each other, and Mike would be grateful for the opportunity to pick back up on their last conversation and to provide the Secretary with an update on our business activities in the U.S.

Mike's bio is attached for your review, and my contact info is below should you need to get in touch with me directly.

Thank you again for your assistance with this request. I look forward to hearing from you!

Best regards,
