DOC-NOAA-2023-001270	NOAA	We have been hired by the Mid-Atlantic Fishery Management Council to conduct a legally mandated review (under the Magnuson Stevens Act) of the Golden Tilefish Individual Fishing Quota (IFQ) program. As such we are required to review safety and enforcement issues in the fishery before and after the program was implemented. We are thus looking for NOAA Office of Law Enforcement records of violations and other enforcement actions for those who participate or own vessels in the golden tilefish fishery. Vessel or owner information (hull ids, owner names, etc) can be provided alongside this request to better identify the pool of affected entities, if needed. Specifically we are looking for all such data between 2007 and 2021.	03/07/2023	04/04/2023	Granted in Full

DOC-BEA-2023-010004	BEA	We would like to obtain power consumption data for US companies on a state level. Failing that, we would like to obtain acceptable proxy data. For example, employee headcount on a state level. The geographic distribution of the data is extremely important: we would need it to be at least on the state level, ideally on a premises-specific level.	04/26/2023	04/28/2023	Other Reasons - Improper FOIA Request for Other Reason
