

## PROCUREMENT MEMORANDUM 2026-01

### ACTION

**MEMORANDUM FOR:** Senior Bureau Procurement Officials

**FROM:** Olivia J. Bradley  
Senior Procurement Executive and  
Director for Acquisition Management

**SUBJECT:** Federal Acquisition Regulation (FAR) Deviation Procedures for  
Agency Implementation of the Revolutionary FAR Overhaul (RFO)

### Background

On May 2, 2025, the Federal Acquisition Regulatory Council (FAR Council) issued a memorandum entitled, "Deviation Guidance to Support the Overhaul of the Federal Acquisition Regulation". The memorandum provided guidance for agencies to issue FAR deviations to adopt the FAR Council's model deviation text, to implement Executive Order 14275, "Restoring Common Sense to Federal Procurement," and OMB Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation." This guidance states agencies should prepare to streamline their FAR supplements to minimize regulations that are not based in statute or executive order and should align with the FAR Council's deviation guidance. Agency alignment should also address policies that further implement the agency's regulatory supplements.

### Purpose

This procurement memorandum provides guidance for implementing the Commerce Acquisition Regulation (CAR) and Commerce Acquisition Manual (CAM).

### Required Actions

- a. Effective immediately, contracting officers shall comply with the revised CAR and CAM language found in Attachment A.
