The Work Number® New Employee Login Experience

A seamless way for employees to access and manage their data on The Work Number.

Updated Login

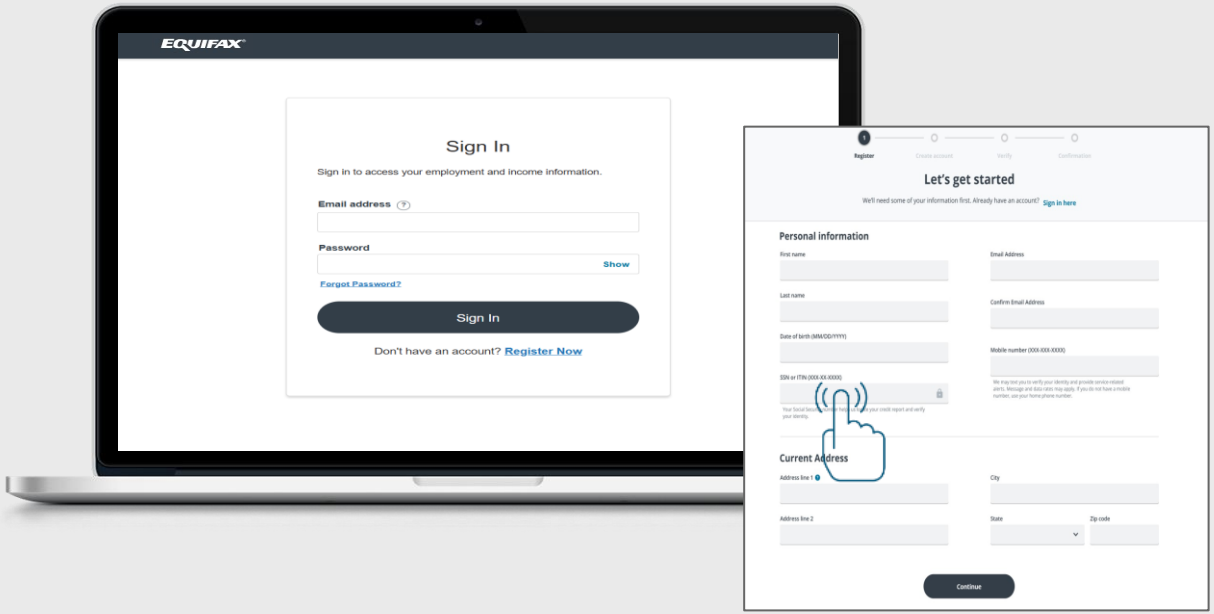

Employees will now log in with their email and a password, eliminating the need to select an ER code.

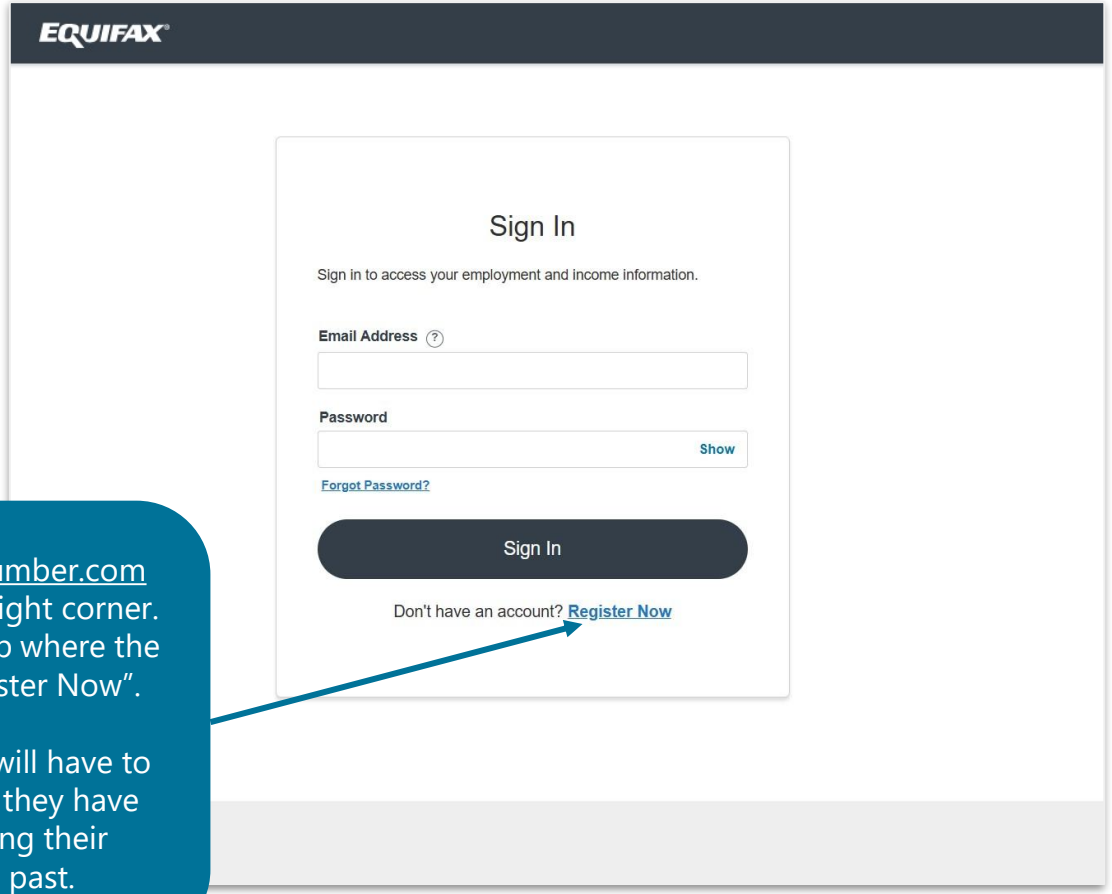

Easier Data Access

All employee data will be available via one login, removing the need to log in to each employer.

Hybrid Employee Access

Hybrid employees will have access to the website and can download their EDR.

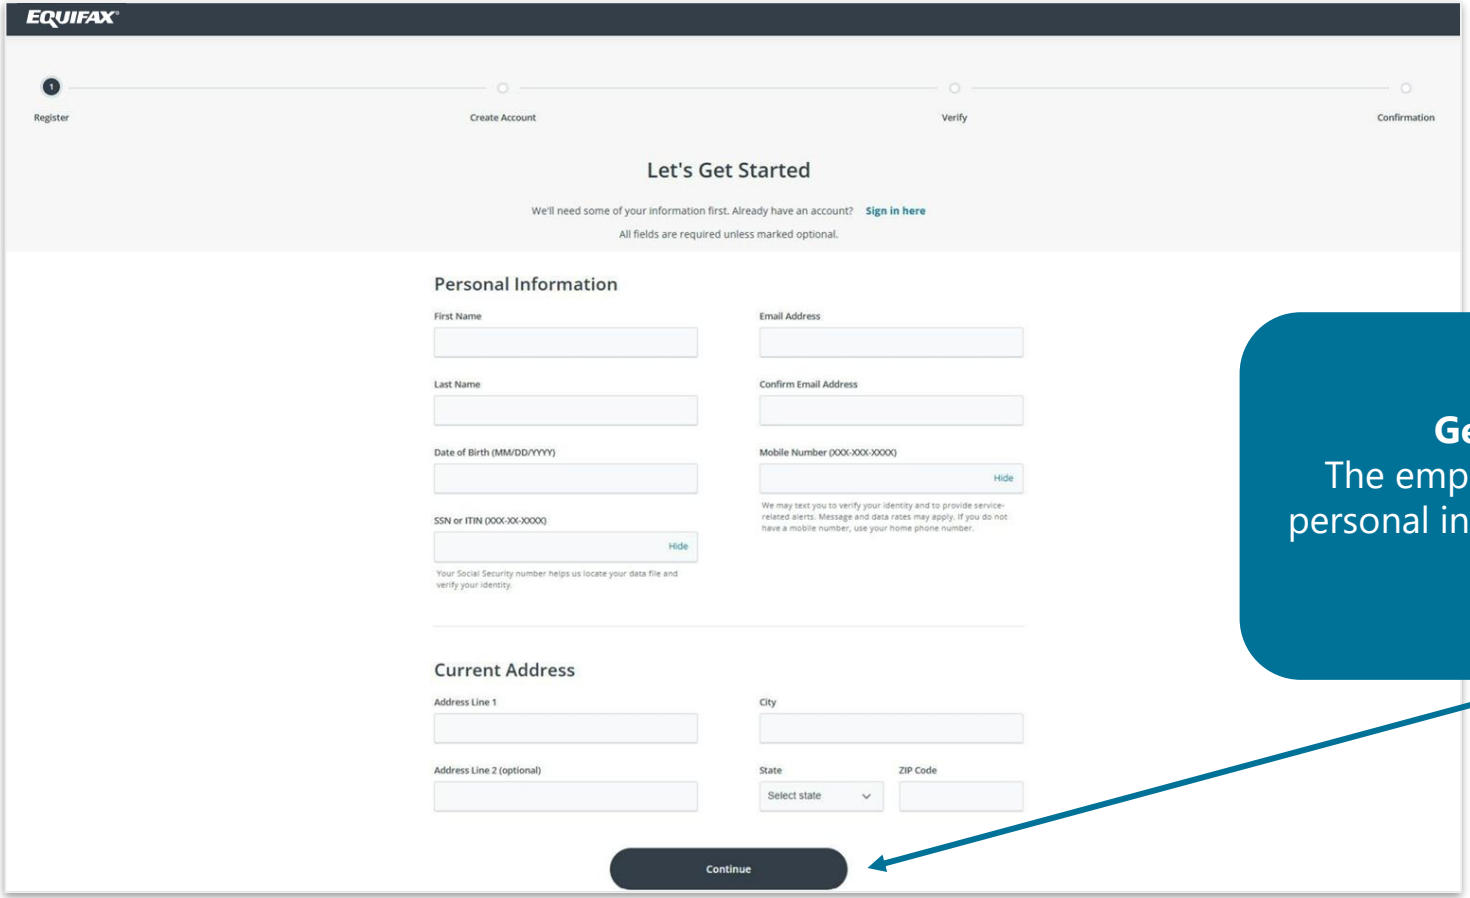

Visit employees.theworknumber.com select "login" in the upper right corner. The login screen will pop-up where the employee will select "Register Now".

Please note all employees will have to complete this step even if they have previously logged in using their Employer Code in the past.
