THE BENEFITS AND COSTS OF APPRENTICESHIP
Roadmap for Measurement

01. Determine the **TOTAL COSTS** of apprenticeship and the costs of alternative hiring methods.

02. Determine the measureable **BENEFITS** of apprenticeship.

03. Look across the company for **DATA** to measure benefits.

04. Keep in mind **OTHER CHANGES** at the company and its environment that affect performance.

05. **ANALYZE** and **SHARE** the data across the company.

06. Make **IMPROVEMENTS** based on the analysis.
