Subject: Response Requested: The President's Meeting with President Moon (Friday, May 21)

Good Afternoon,

The President will host H.E. Moon Jae-in, President of the Republic of Korea, for an **Official Working Visit this Friday, May 21**, at the White House.

Secretary Raimondo is invited to participate in the visit's expanded bilateral meeting (3:15–4:15 pm) and attend the press conference (5:00–5:45pm). Please hold these times on the Secretary's calendar and **kindly confirm participation as soon as possible**. Should Secretary Raimondo be available to attend, please let us know about any time restrictions on her schedule should the event run late.

Kind reminder that members of the delegation who attend the press conference will be seated in the first two rows of the audience, social distanced, to watch the remarks. In between the expanded bilateral meeting and press conference will be a hold time of approximately 30 minutes while the President has press prep.

Please ensure anyone entering the West Wing has received a negative COVID-19 test on Friday morning. If your principal is being tested at the EEOB clinic, please consider enough time between testing and the meeting. If your principal is taking the test outside the White House, please provide results before entering campus.

We will be in touch with further details on logistics and participants closer to the date of the visit. Thank you, and please let us know if you have any questions.

Kind Regards,

Nicole
